

MILLENNIUM FARM TRUST

providing opportunities for those with learning difficulties

Dear.....

MEMBERSHIP FEES 2010-2011

Please would you continue to support the Millennium Farm Trust by renewing your membership for this year (1st April 2010-31st March 2011) or by becoming a new member of M.F.T.

Membership fees go toward the running costs of the charity, which enhances the lives of our adults with learning difficulties, who are so keen to be involved in farming and conservation work in Suffolk. If you would like to find out more about us please see our website: www.m-f-t.org.uk

We continue to rely on the goodwill of many of our close friends and corporate sponsors to fund our day-to-day running costs as well as offering practical help in so many ways. We have received financial assistance from various charitable trusts as well as grant aid from local parish and town councils, for which we have been most grateful. Local companies have continued to be very supportive of our work and have provided us with supplies at generous rates. We have continued to raise funds ourselves through the sale of produce grown at Rede, doing contract work, as well as organizing sponsored activities. We are grateful for all the help and support we have received over the last twelve months but continue to need your help if MFT is to continue to offer the same level of commitment to our farm helpers.

I am enclosing a copy of our latest Newsletter which gives a brief outline of our work and achievements over last year and I hope that you will continue to support our valuable work by renewing your membership

Please send the completed tear-off slip together with your payment to:

Mr R. Hopper (Membership Secretary) 12 Woodland Place Gt Barton Bury St Edmunds IP31 2TG

Thank you again for your continued support and I look forward to hearing from you soon.

Yours sincerely

Richard Hopper (Membership Secretary)
